Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Tuesday 28 Dec 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Showery and windy this morning but becoming drier and calmer.

Today:
It will be a windy morning with gales on exposed coasts and bands of blustery showers and sunny spells. Much drier during the afternoon with winds easing and some sunshine. Maximum temperature 12 deg C (54 deg F).

Tonight:
Largely dry this evening and turning rather chilly for a time. Temperatures climbing by the early hours though as rain arrives from the southwest. Becoming windy in Cornwall later. Minimum temperature 2 deg C (36 deg F).

Wednesday:
Rain quickly clearing during the morning, but staying cloudy with mist around the coasts and drizzle and fog over the hills. Rather windy but very mild in any afternoon brightness. Maximum temperature 15 deg C (59 deg F).

Outlook for Thursday to Saturday:
Mostly cloudy with rain at times on Thursday. Drier and brighter on Friday and Saturday but some rain is possible overnight. Windy at times but staying unseasonably mild.
